SCOTT ODACHOWSKI

Consultant

Having started at Foundation in 2014, Scott's prior experience as a teacher made him an ideal fit as a field trainer. That experience coupled with his familiarity with the FOUNDATION system has also made him an asset in his recent transition to consulting.

As a consultant, he uses this expertise to help clients navigate the intricacies of job costing, G/L, accounts payable and accounts receivable. He also works closely with clients on new employee training, querying data and finding efficiencies.

EDUCATION

Bachelors in Business, Miami University (OH), Masters of STEM Education, The Ohio State University

SPEAKING/WRITING EXPERIENCE

Before coming to Foundation, Scott spent close to 10 years as a teacher in the U.S., Japan and the UK. He also worked in a variety of subjects including math, physics and English.

FUN FACT

Scott used to be a rower that competed at the national level.
