

Looking for your next educational opportunity? Join our team of expert consultants for targeted online training sessions within FOUNDATION. Sessions will cover software capabilities, best practices, custom reporting and so much more!

Our Foundation Academy program is held virtually via GoToWebinar.

General Sessions run 11am-1pm ET with interactive Q&A following from 3pm-5pm ET.

Sessions are individually priced at \$349 per registrant, per session.

Attendees can earn up to 2.4 CPE credits per session.
